**** Specialising in Maths & Science ****

APPLICATION PROCESS

The following steps to be followed during your **Grade 10, 11 or 12** application process:

Step 1

Fill in the application form which you will find on our website.

Step 2

Email the application form **with the latest student report** to aslam@capetownvarsity.co.za

Step 3

Once the student is accepted to study at **Cape Town Varsity**, the registration fee of **R 3 950 becomes payable**.

Step 4

Once proof of payment of R 3 950 is received you will receive a letter indicating that the student has been **registered at Cape Town Varsity** for the **2023** academic year.

Step 5

If the student has chosen **Mathematics** and/or **Physical Sciences** as part of the seven subjects for **2023**, the student will immediately receive the passwords to access our Online, Interactive **Mathematics** and/or **Physical Sciences** video programme during the **2022** academic year.

For example : If the student is applying for **Grade 10** in **2023**, the student will access the **Grade 9** Online, Interactive **Mathematics** and/or **Physical Sciences** programme immediately once the registration fee is paid in **2022**.

The student will also join our **weekly, 2 hour Mathematics** and/or **Physical Sciences** in-person tuition programme over the weekends in **2022**.

Parents will be emailed a **weekly progress report** every Monday indicating the student's achievements in **Mathematics** and/or **Physical Sciences** starting immediately in **2022** once the registration fee is paid. **Students currently studying Mathematical Literacy will be allowed to switch to Mathematics.**
